

USTP to Post Updated UST Form 11-MORs and UST Form 11-PCRs

On June 21, 2021, the United States Trustee Program's rule entitled *Uniform Periodic Reports in Cases Filed Under Chapter 11 of Title 11*, published at 28 C.F.R. § 58.8 (the "Final Rule") became effective. The Final Rule requires that chapter 11 debtors-in-possession and trustees, other than in small business and subchapter V cases, file monthly operating reports and post-confirmation reports using streamlined, data-embedded, uniform forms in every judicial district where the U.S. Trustee Program operates.

On November 30, 2021, the United States Trustee Program will post on its website updated versions of the UST Form 11-MOR, Monthly Operating Reports ("MOR") and UST Form 11-PCR, Post-confirmation Reports ("PCR"), that should be used for all reports filed after that date.¹ Designed to improve the overall user experience, the updates will streamline the process of embedding data on the forms by using standard PDF bar-code technology. The updates do not impact the information required to be reported on the MORs and PCRs.

To obtain important information related to periodic reporting under the Final Rule, please visit <https://www.justice.gov/ust/chapter-11-operating-reports>. While at that webpage, please subscribe to the "Chapter 11 Operating Reports E-mail Updates" feature to automatically receive future email updates about the forms and periodic reporting under the Final Rule.

¹ Please note the USTP's posting of updated MOR and PCR forms is unrelated to the December 1, 2021 amendments to the Federal Rules of Bankruptcy Procedure and revisions to Official Forms.
