

Upcoming ECF outages

The Court's District and Bankruptcy ECF systems will be down on Saturday March 17th from 8:00am MDT until approximately 2:00pm MDT for database maintenance.

Additionally, our Bankruptcy ECF services will be down Thursday evening, March 22nd at 8:00pm until approximately 11:00pm Mountain Daylight time for system maintenance regarding the reassignment of cases to Judge Meier. If there are any emergency filings during that time, please call (208) 989-8646.

The Court will be issuing a General Order to address the case reassignments. Please watch the Court's [news page](#) for further information. Please also check the case dockets on March 23rd for any case formerly assigned to Judge Pappas to determine the current presiding judge.
